Q1: Select **one** of the two options below. You may respond using any language you prefer (English, Sinhala, Tamil) or any written form of expression. Your answer should demonstrate creativity and originality in your chosen task.

Option 01: Discuss how digital technologies such as social media, artificial intelligence, online learning, gaming, or mobile applications shape the lives of students today.

You may present your response in any one of the following forms:

- A short story
- A reflective narrative
- A diary entry
- A fictional scenario or any other form of creative expression.

Your response should:

- Highlight a real issue relevant to students (for example: addiction, comparison, misinformation, productivity, stress, identity, or dependence on technology)
- Show both the positive and negative influence of digital technologies

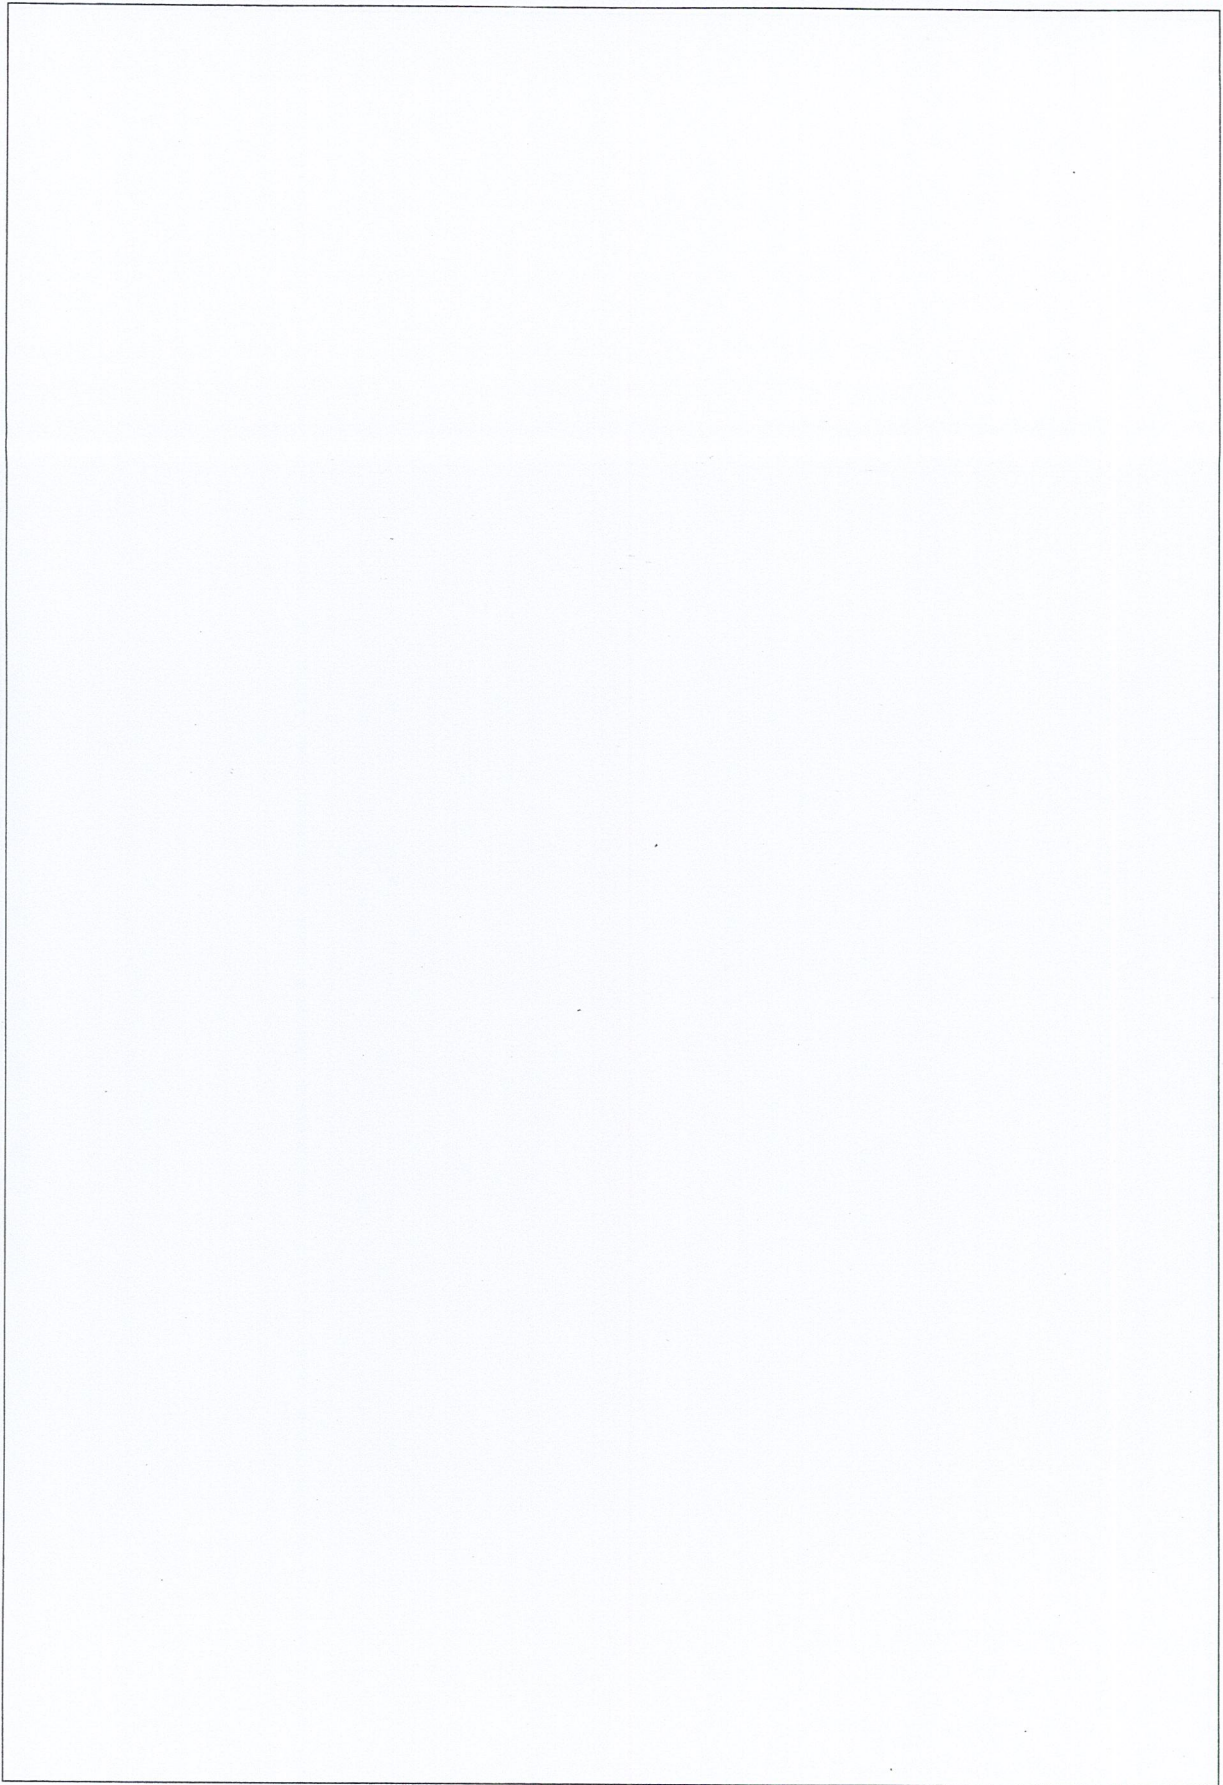

Option 02: *Song Review*: Select a popular or personally meaningful song:

- Write a detailed song review analyzing aspects such as lyrics, melody, vocals, emotional impact, and overall meaning clearly.
- Reflect critically on how this song resonates with you and/or connects with broader social or cultural themes.
